

## Introductory Activity Assignment

for "Listening is Not the Same as Hearing"  
<http://www.livinghistoryfarm.org>

1. Write down the main idea of this segment and as many details as possible that support that as the main idea.
2. List as many specific details as you can from the segment.
3. Describe the emotions of the speaker as he tells the story.
4. What emotions does the speaker say he or she felt?
