

# Farm Run

## May 19, 2018

### Team Registration

Thank you Aurora Coop & York General for contributing to this event!

This is an outdoor event, located on the property of a living history farm set in the 1920s. The farm is located just one mile south of I-80 exit 353 at York. Hotels, camping and restaurants are one mile away, with the city of York just three miles north. Food and beverages will be available for purchase at the farm, water provided for participants. Cash bar available beginning in the afternoon. There are modern restroom facilities on the farm and most areas are wheelchair accessible. There is a designated area for smoking. Admission for event spectators is free; regular admission required to tour the house, church, schoolhouse and tractor buildings. This event is a fundraiser for the farm.

This is a physical and mental challenge for participants aged 16 and older. There are two divisions— Under 21, 21 & older. Within each age division, there is a division for two-person teams and four-person teams. All participants on a team must fit the age group the team is competing in. If the age of a participant is questioned, a driver's license may be required to verify birthdate prior to competing. Registrations will be accepted until May 1st, or until full. Full registration fee must accompany the registration form. Additions or substitutions to your team may be done up to the morning of the event, with signed registration/waiver update. All participants receive a T-shirt. Prizes are awarded to top finishers, based on # of teams. Your team may be any combination of guys and gals, however, there will not be separate divisions for girls/guys.

The Under 21 teams will compete first, with the 21 & older teams to follow. This event will begin in the morning and conclude by early evening. Start times, waivers and additional details including obstacle challenges will be emailed to captains after registration has closed. Waivers for minors will require an adult signature. The fee to enter is \$100 per four-person team, \$60 per two-person team. Refunds for registered teams will be given only prior to May 1st.
